

Background Screening

It is the policy of the Northern California Nevada Conference United Church of Christ to support and nurture candidates of integrity for ministry throughout the church.

Your personal information on your application or registration form and your Social Security Number will be used to conduct a criminal background check. The cost of the screening is \$10 (check made payable to NCNC-UCC). All candidates requesting In Care status with the Conference (or candidates for In Care Renewal who were not previously screened) must give permission for a criminal background screening. This information will be kept strictly confidential. The screening **does not** take the place of the full criminal background check required with a Ministerial Profile in the United Church of Christ.
