

In Covenant... God is Still Speaking,

Youth Making a Difference

*Youth Leadership Program
at the Annual Meeting
of the No. California Nevada Conference
United Church of Christ
May 18-21, 2006
Asilomar Conference Center*

Did you know that you are already part of an exciting spiritual movement for social change? Did you know that there is a place where your deeply felt concerns about justice and peace will be heard and transformed into action at local and international levels? Did you know that you can be a leader in your church? The Northern California Nevada Conference of the United Church of Christ welcomes all youth to its annual meeting who want to make a difference in their church and community. In anticipation of the approval of a Bylaw change this year, each church is being invited to send an additional voting delegate that must be a young person (age 13-25). It could be you! Even if you are not asked to be a delegate, you are welcome to participate in this amazing leadership program.

You will:

- * discover and experience your **voice** in community.
- * get energized about **your church** and your role in it.
- * have **fun** learning in a loving community.
- * develop general and spiritual **leadership** skills.
- * **learn** about and participate in the congregational process.

Registration forms are already available on the www.ncncucc.org website. You may also call the Northern California Nevada Conference Office to register. 510-247-8995.
