Subject: Forums for the Future (part one)

Dear Pastors & Church Administrators:

This is one of two e-mails we are sending you today with information for our conference's SECOND FORUM FOR THE FUTURE.

This forum will address the topic: TRANSFORMATIONAL YOUTH & YOUNG ADULT MINISTRY.

Whether ministry with youth and young adults is a mere dream for your congregation, or you have a program that needs growth or renewal, YOU DO NOT WANT TO MISS THIS EXCITING GATHERING.

In order to help you get the word out to your congregation in these weeks prior to the Forum, set for SATURDAY, SEPTEMBER, 16, we have the following communication tools available for your use.

1. Each congregation will receive a color 8.5 X 11 poster with information on the event. Please watch the mail for your poster.
2. Below, you will find an announcement that can easily be placed in your worship bulletin.
3. In addition, we offer you a half page WORSHIP BULLETIN INSERT, either 8.5 X 5.5 inches for insertion in an 8.5 X 11 inch worship bulletin, or 8.5 X 7 inches for insertion in an 8.5 X 14 inch worship bulletin.

To receive the insert as an e-mail attachment, please e-mail Barbara Broadbent at bbroadbent@ncnuc.org. The insert will be sent in both MS Word and pdf formats.

4. An electronic version of the 8.5 X 11 inch flyer is also available upon request by e-mailing Barbara.

BULLETIN ANNOUNCEMENT: Transformational Youth and Young Adult Ministry is the topic for the second Forum for the Future sponsored by the Northern California Nevada Conference UCC. This gathering will be at Congregational Church of San Mateo, Saturday, Sept. 16, from 10 a.m. - 4 p.m. UCC national staff will share program ideas for youth and young adults. We seek to make known the needs of local churches and ways conference and national staff can assist in creating successful local programs. We hope to have several persons from our church attend! For more information contact the church office or conference at 510-247-8990, or see the conference website: www.ncnuc.org
