Friends,

Annual Meeting is fast approaching and once again we are collecting the names of those who have died since our last Annual Meeting, in order that we might lift up their names when we are gathered together. We do not limit the list to UCC church members -- send the names of all you would like to have remembered. If you know of anyone that is interested in or intending to attend Annual Meeting, but who has not yet registered, please have them call or email me. We do have rooms available.

Blessings to all,
Joy Davis
